Skin Rejuvenation

CLINIQUE
DE PARIS

Clinique de Paris elevates your natural beauty with innovative, precision facial treatments for stunning, lasting results.

Profilo

A bioremodelling agent containing pure hyaluronic acid for deep hydration and lifted, glossy skin. It treats the face, neck, tummy, arms, and knees with minimal downtime.

₱35,000 per syringe
₱56,000 for 2 syringes

Botox

A purified protein to relax movement lines like frown or squint lines. Tailored treatments offer a fresh, natural look. Lasts 3-6 months with free touch-ups.

₱450 per unit

Dermal Fillers

A high-grade German product (Allergan) which can reduce deep lines and signs of aging. Unlike older fillers, it offers smooth, long-lasting results without lumpiness or migration.

₱25,000 per syringe

Rejuran

An advanced skin rejuvenation treatment that boosts hydration, smooths fine lines, refines texture, minimizes pores, and reduces scars for a youthful, radiant complexion.

Discounted price until July 31

₱29,000 ~~₱42,000~~ per vial
₱40,600 ~~₱52,000~~ for 2 vials
